MARINE VESSEL TENDER GUIDELINES

- a. All vendors in category A and AA are prequalified to proceed to the technical stage of the contracting process and must be given first consideration in all tenders for all types of vessels (Note: Category A and AA vendors are also prequalified to provide vessels that are not in their current fleet).
- b. All vessels classified as AAA are prequalified to proceed to the technical stage of the contracting process and must be given first consideration in all tenders provided the AAA classified (Nigerian Built) vessel meets the specification of the vessel requirement in the tender.
- c. Category A and AA marine vessel vendors who have Nigerian owned vessel specific to a tender shall be the only tenderers to be qualified at technical stage, to proceed to commercial stage.
- d. In the event that no Category A (i.e. AA and A) vendors or AAA classified vessels submit bids for a particular tender, operators shall give next consideration to Category B (ie BB and B) vendors.
- e. Categories C, D and E vendors are not pre-qualified to participate in tenders for any type of vessel.
- f. At technical stage, where a prequalified vendor does not have a vessel with the required specification in the tender, the vendor must show evidence of plans towards ownership of the vessel presented for the tender or manufacture of the vessel in Nigeria such as:
 - i. Memorandum of Agreement (MOA) between bidder and vessel seller/ shipyard
 - ii. Letter of offer between vessel owner/ builder and vendor
 - iii. Contractual commitment to build vessel with a shipyard
 - iv. Evidence of availability of finance to acquire the vessel from a Nigerian financial institution
 - v. Evidence of at least 10% deposit on the vessel invoice etc.

These requirements must be presented during the technical stage for evaluation by NCDMB as pre-condition to progress to commercial stage.

- g. The NCDMB report on categorisation of marine vessels providers will be published quarterly and documents uploaded by marine vessel providers/ vendors and progress made on commitments to own or build vessels in Nigeria shall be evaluated, verified by the Board and status updated in subsequent categorization report.
- h. The marine vessels categorization scheme provides the opportunity for service providers/ vendor to attain higher categorization upon progression in ownership plan and service providers/ vendors that fail to maintain their current ownership profile or commitments to acquire a vessel would be downgraded to a lower category.

Note: If at any time, information provided by any service provider/ vendor is found to be false, such company shall be dropped from the tender process and sanctioned in accordance with extant laws of Nigeria.
